

MARKHAM TENNIS CLUB

Welcome to the Markham Tennis Club – MTC, established in 1968 and operating as a not-for-profit community club. We are located at the beautiful Reesor Park next to Reesor Park Public School, just a few short blocks north of Hwy 7 along Wootten Way.

Our facility includes 6 newly resurfaced and well maintained lighted tennis courts and a newly constructed Clubhouse (2017) equipped with two wheelchair accessible washrooms / change rooms, a beautifully equipped kitchenette and complementary WiFi access.

The club is managed by a dedicated volunteer executive committee along with operations staff and Tennis Canada Certified Tennis Pros headed by Club Manager Jeff Lander. Our objective is to foster an atmosphere that caters to all playing levels and every age group. Keeping our membership fees and programs reasonable ensures MTC is accessible to all members of our community.

MTC offers round robins, weekly house league, competitive teams, lessons and clinics, summer camps and other social events from April until October. Visitors and volunteers are always welcome. We hope to see you on the courts soon.....
